

# Junior Application for Red Angus Heifer

To be given away August 29-30  
At the Montana Red Angus Tour 2009

Each breeder from Southwestern Montana will present one of their best heifers as a potential junior selection. These animals will be available for inspection at the various stops on the tour. Eligible juniors will get their names put in a hat for attending stops on the tour and winning challenges – so the more stops and challenges; the more likely to be the big winner (challenges will be divided into appropriate age groups and prizes will be awarded to challenge winners). At the end of the tour, we will draw the lucky name. That kid will get to choose which heifer they want.

We encourage the winner to contact the breeder with any questions regarding breeding, training, feeding, over-all health and suggestions. Upon winning the heifer, we recommend (but do not require) you to join other juniors in the National Red Angus and Montana Red Angus.

**Eligibility: Any youth through age 21.**

## Requirements:

1. **Must agree to show the heifer at least once organized livestock show, i.e. NILE, Montana Beef Expo, Montana State Fair, or other show of your choice.**
2. **Must keep the heifer for at least 1 year.**
3. **Must have adequate space and feed.**
4. **Must have parental consent.**
