

2009 Montana Red Angus Tour

Montana Red Angus Breeders invite you to tour our cattle Saturday, August 29th & Sunday, August 30th. The '09 tour will be hosted by the breeders in Southwestern Montana in beautiful Gallatin and Madison counties. This tour will be LOADED with fantastic cattle, good food, entertainment and prizes for young and old. We are encouraging both juniors and adults to participate in challenges, games and judging contests. So, come one and all, young and young at heart, and let's have some good-old western fun!

Headquarters for the tour will be at the Holiday Inn in Bozeman. Tour busses will be available for your convenience. You will get the opportunity to meet the people behind some of the most prestigious Red Angus cattle in the world; as well, you will be able to see first-hand the programs that they are using to establish these great herds. Cattle will be on display in their "working clothes", herd bulls and donor cows exhibited and meals and entertainment will be provided.

In addition to all that, each breeder involved in the tour will present one of their best heifers as a potential junior selection. Eligible juniors will get their names put in a hat for attending stops on the tour and winning challenges – so the more stops and challenges, the more likely they are to be the big winner (challenges will be divided into appropriate age groups). At the end of the tour, we will draw the lucky name. The winner will get to choose which heifer they want. What an opportunity!!!

Juniors! Don't miss out -

You could take home a heifer calf from one of the participating ranches!

Here's how it works:

- At each stop the breeder(s) will have an outstanding heifer calf on display
- Be sure to take a good look at each calf and decide which heifer is ideal for you, because...
- At the end of the tour, we will draw the name of the junior that wins the heifer calf of their choice

So, Juniors, how do you get in the drawing? Easy!

- At each stop that you are in attendance, put your name in the drawing
- Each stop will feature junior challenges
- Any junior that wins a "challenge" at a stop will be able to enter their name again
